Abstract

ALLOWANCES – Special Pay – Settlement Tahsildars, Settlement Deputy Tahsildars and Settlement Inspectors engaged in field work – Further orders passed.

Revenue Department

G.O.Ms.No.2155 Dated 25th July 1953.

Read the following:—

G.O.Ms.No.2132, Revenue dated 11-8-1951.
G.O.Ms.No.337, Revenue dated 3-2-1953.
From the Director of Settlements, Ref.G7.21185/51 dated 5-5-1953.

ORDER:

In his letter read above, the Director of Settlements has made the following proposals:

(1) that the special pay granted to Settlement Tahsildars, Settlement Deputy Tahsildars and Settlement Inspectors engaged in settlement field work, in the G.Os. read above may be allowed even in cases where the number of days of field work done by an officer in a month falls short of the prescribed minimum, but that in such cases only a proportionate special pay may be allowed, in the ratio of the number of days on which field work was done to the total minimum prescribed for the officer; and

(2) that the Settlement Officers and Assistant Settlement Officers may be empowered to reduce summarily the special pay claimed by an officer for any day, if the field work done by him on that day is found to be bad or not genuine or if the outturn for the day falls short of the prescribed outturn.

2. The Government have examined the proposals and pass the following orders:

Proposal (1): The Government accept the proposal, subject to the condition that no special pay will be allowed to an officer for any month in which the number of days of field work done by him falls short of five days.

Proposal (2): The Government accept this proposal also.

3. The following amendments are issued to the G.Os. read above:

(a) In G.O.Ms.No.2132, Revenue dated 11-8-1951, add the following conditions at the end:

"(3) that he will be entitled to proportionate special pay for any month in which the number of days of field work done by him falls short of 20 days, provided that no special pay will be allowed to him for any month in which the number of days of field work done by him falls short of five days;

(4) that if the field work done by him on any day is found to be bad or not genuine or if the outturn for any day falls short of the outturn prescribed (if any), the Settlement Officer or the Assistant Settlement Officer concerned may cut summarily the special pay claimed by him for that day".

(b) In G.O.Ms.No.337, Revenue dated 3-2-1953, substitute the following for the last sentence:

"The grant of the special pay will be subject to the conditions:—
(1) that a Settlement Tahsildar should put in not less than 15 days field work in a month to draw the special pay;
(2) that he will be entitled to proportionate special pay for any

p.t.o

month in which the number of days of field work done by him falls short of 15 days, provided that no special pay will be allowed to him for any month in which the number of days of field work done by him falls short of of five days;

(3) that if the field work done by him on any day is found to be bad or not genuine or if the outturn for any day falls short of the outturn prescribed (if any), the Settlement Officer or the Assistant Settlement Officer concerned may cut the special pay claimed by him for that day.
